

TEST RESULTS

Schools and school systems will receive individual student Spring 2019 LEAP 2025 results for ELA, math, and social studies by July. Since the LEAP 2025 science test will be new this year, these results will not be provide to schools until after the grading scales are approved by BESE in August. Each school system will decide how to share this information with teachers, parents, and students.

As in prior years, the LDOE will produce an individual student score report for ELA, math, and social studies. The reports will be similar to the reports produced for the 2018 tests.

[View the Parent Guide to the LEAP Student Reports](#) to learn more about these results and why they matter for your child.

PARENT GUIDE TO THE
→ LEAP 2025 STUDENT REPORTS ←

HOW DID MY CHILD PERFORM ON THE LEAP 2025 THIS YEAR?

At the top of each report is your child's overall performance information including:

- overall achievement level.
- overall scale score
- the type of support your child will need based on his or her performance on the test, and
- how many points your child is from achieving Mastery indicating their readiness for the next level of study.

HOW SHOULD I, OR MY CHILD'S TEACHER, USE THESE RESULTS?

The scores and ratings will be used to help teachers identify students who need additional support or more challenging work in each subject area. The information will also be used to measure how well schools and school systems are helping students achieve higher expectations.

As a parent, you can use the test results to guide a discussion with your child's teacher(s) about additional supports or enrichment that may be needed in class and at home.

HERE ARE SOME SUGGESTED QUESTIONS TO ASK WHEN DISCUSSING THE RESULTS WITH YOUR CHILD'S TEACHER(S):

- Where is my child doing well and where does he or she need improvement?
- What can be done in the classroom to help improve his or her area(s) of weakness?
- What can be done to appropriately challenge my child in areas where he or she exceeds the expectations?
- How can I help support my child's learning at home?
- How do we ensure that my child continues to progress?

FOR ADDITIONAL TOOLS AND RESOURCES TO HELP YOU SUPPORT STUDENT LEARNING AT HOME, visit the Family Support Toolbox at <https://www.louisianabelieves.com/resources/family-support-toolbox>

For more information about the LEAP 2025 tests in grades 3-8 and high school, visit the Parent Assessment Portal: <https://doe.louisiana.gov/leap-forward/louisiana/>

THIS IS AN EXAMPLE
The math, science, and social studies performance areas also use a three-star rating system.

PREPARE FOR THE TEST

By understanding what your child should know and be able to do this year, you will be better positioned to help your child connect the dots between what he or she is learning and the test.

KNOW WHAT YOUR CHILD IS LEARNING

To find out the learning expectations for your child's grade level in each subject, take a look at

→ [Louisiana's Student Standards](#), which gives descriptions of the skills and knowledge your child is expected to gain every year.

→ You can also see sample ELA, math, science, and social studies questions in the [Assessment Guides](#).

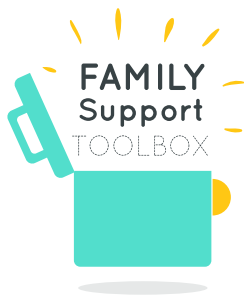

PRACTICE TESTS

The Department released [LEAP 2025 practice tests](#) for ELA, math, science, and social studies in grades 3-12 on its website.

→ **ONLINE VERSIONS** for grades 3-8

→ **PAPER-BASED PRACTICE TESTS** for grades 3 and 4

View the [Parent Guide to the LEAP 2025 Practice Tests](#) for more information on how the access the practice tests and use them to support your child's learning at home.

FOR ONLINE ACCESS TO ALL ASSESSMENT RESOURCES,
visit the Family Support Toolbox at <https://www.louisianabelieves.com/resources/family-support-toolbox>.

For more information about the LEAP 2025 tests, talk to your child's teacher or email the Department at assessment@la.gov.
